PROFICIENT USER - USED FOR EVERYDAY LIFE
AND FOR WORK

SOFT SKILLS

- Flexibility: I feel at home working in diverse and international teams and I adapt quickly to new situations and environments.
- Thirst for knowledge: I'm always thrilled by learning new things and undertaking new challenges.
- Independent but dependable: I am used to working autonomously and take the initiative, but I am very determinate and reliable when it comes to delivering results.

OUTSIDE WORK

- I love spending time outdoors.. mountains and forests are my favourite habitat!
- Avid consumer of books, with a special passion for works of history.
- Certified BCU 4* Sea Kayaking guide. My biggest achievement at sea: a 200km non-stop Malta-Sicily-Malta kayak crossing for charity.
- I believe that bicycles are the best way to travel and discover new places.
